

Sprint 1 Report

DigiGuess

DigiNetters

October 20th 2017

Actions to stop doing:

1. Not following full SCRUM

Actions to start doing:

1. Better organize trello board
2. SCRUM meetings
3. Update at every SCRUM meeting the trello board

Actions to keep doing:

1. Communication
2. Using Slack

Work Completed:

1. As a student on this project, I want to learn more about machine learning and build my own neural net.

Work Not Completed:

1. As someone who visits the website, I want to be able to draw a number and have the website accurately guess the number.
2. As a user, I'd like an easy to use website

Work Completion Rate:

Burn-up
