

Sprint 4 Report

Digi Guess

Digi Netters

December 3rd 2017

Actions to stop doing:

1. Stop moving to a different task when the current assigned one is still incomplete

Actions to start doing:

1. Coding Sessions

Actions to keep doing:

1. Meeting Regularly
2. Sitting down and doing work to create a working prototype together

Work Completed:

1. As a user I would like to read about how you were able to accurately guess the model.
2. As a user, I want a stable website
3. As a user I would like to draw a number and have it accurately guess the number I drew

Work Not Completed:

1. As a user I would like an easy to use clean website.
 - a. Headers not same

Work Completion Rate:
