

Sprint 4 Plan

DigiGuess

Digi Netters

December 2017

Goal: Our goal for this sprint is to finish up the last touches to the website.

USER STORY 1

(5) As a user I would like to read about how you were able to accurately guess the model.

TASKS

- (2) Finishing writing
- (1) Bring in writing into website
- (3) Fix errors
- (3) Add in pictures and information to the about us
- (2) Make finalizations

USER STORY 2

(3) As a user I would like an easy to use clean website.

TASKS

- (1) Add in new canvas
- (2) Add in how to use section
- (1) Make the headers same

USER STORY 3

(8) As a user, I want a stable website.

TASKS

- (2) Implement unit testing on the front-end
- (2) Implement unit testing on the back-end
- (2) Researching unit testing frameworks

USER STORY 4

(3) As a user I would like to draw a number and have it accurately guess the number I drew.

TASKS

- (3) Figure out how to send data to front-end
