Sprint 3 Report

DigiGuess
DigiNetters
November 19th 2017

Actions to stop doing:
1. Giving out too much work
2. Pushing tasks back
3. Starting on a new task before finishing an old one

Actions to start doing:
1. Keeping up with work loads.
2. Code sessions together

Actions to keep doing:
1. Meeting regularly

Work Completed:
1. As a user, I want a higher accuracy rate for the website.

Work Not Completed:
1. Literally everything else

Work Completion Rate:
