# Sprint 4 Plan
DigiGuess
Digi Netters
December 2017

**Goal:** Our goal for this sprint is to finish up the last touches to the website.

## USER STORY 1

As a user I would like to read about how you were able to accurately guess the model.

### TASKS
- Finishing writing
- Bring in writing into website
- Fix errors
- Add in pictures and information to the about us
- Make finalizations
- Make headers the same

## USER STORY 2

As a user I would like an easy to use clean website.

### TASKS
- Add in new canvas
- Add in how to use section
- Make the headers same

## USER STORY 3

As a user, I want a stable website.

### TASKS
- Implement unit testing on the front-end
- Implement unit testing on the back-end
- Researching unit testing frameworks

## USER STORY 4

As a user I would like to draw a number and have it accurately guess the number I drew.

**TASKS**
- Figure out how to send data to front-end
- Host website
